{FABRICE BODSON}

//GRADUATE IN COMPUTER SCIENCE

Passionate about new technologies, I am a 24-year-old eager to develop my skills, to learn, and to evolve throughout my career. Security and systems are the dimensions that interest me most in computer science, but above all, what interests me is producing results and achieving satisfaction. I am someone who is cheerful, optimistic, dynamic, and driven by a strong desire to discover new things.

{WORK EXPERIENCE}

//KPMG BELGIUM
Intership | February 2024 - April 2024

In the Digital Risk Management Advisory department, I carried out research on threats in the financial sector concerning cryptocurrencies, NFT abuse and Bitcoin-related risks.
